**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Home internet is critical for my day to day operation and it was unreliable in availability and in customer service when I held accounts with massive corporate providers like Comcast.

I made a strategic choice to move to a smaller, local provider with more reliable service (Sonic) and they have proven to be worth the move. Should the FCC chose to cut off competitive access to internet, it will defeat the purpose of me being able to make the best choice as an educated and invested user.

Sincerely,

Catherine Sellergren
